SORÌ DI GIUL

FREISA D'ASTI DOC

2010

12 GIUGNO 2014
16.5/20

“They like to call Freisa a ‘Feminine Nebbiolo’. This is only pale ruby and already shows some evolution (in a Nebbiolo-ish way). Very delicate despite its strongly perfumed aromatic punch. Firm acidity. An attention grabber. Being so light, it would need careful food matching.”

SETECÀPITA
BARBERA D'ASTI DOCG SUPERIORE
2010

12 GIUGNO 2014
16.5/20

“Mid crimson. Very pungent nose with a little oak in evidence but oak that is well done. Gentle for a Barbera! No exaggeration on show here.”
