MONFERRATO BIANCO DOC

2014

EDIZIONE 2017

89/100

“Rather deep golden colour. Rather complex and intense nose showing some oxidative notes, rather "non intervention" style with windfall, ripe pear, floral hints and crushed nuts. Bone dry palate, rather full with some skin/phenolic presence without bitterness, bold and flavour intense with a crisp acidity, nutty notes and a long finish, rather complex in a "natural/alternative" style.”

## FREISA D'ASTI DOC SUPERIORE

# 2012

EDIZIONE 2017

83/100

“Mature colour, tawny with a light rim. Developed and mature nose of walnut, leather, dried fruit and some balsamic notes. The palate shows medium weight, still with some fruitiness but starting to dry, nutty with quite high tannin, a bit drying on the finish, time to drink now it seems.”

## BARBERA D'ASTI DOCG SUPERIORE

### 2013

EDIZIONE 2017

80/100

“Medium deep ruby red colour with a light purple hue. Slightly volatile nose, some dusty notes, crushed fruit, rather light palate, dry spices, dust and sour red berries, some volatile notes, rather old fashioned style, lacking a bit of purity.”
